## Legend

\* This country has restrictions on dialling ITFS numbers from mobile phones. Please refer to our website for more information

^^ If you are unable to call through from Austria/Netherlands, try adding '00' before you dial.

If your conference guests are having difficulties dialling into conference using their mobile phone, our operators can connect them into conference for you, or you can use our Host Dial Out service. Please visit our website or contact us for more information.
